DRILL FOR GROUND WATER SUPPLY Rates Expiration Date : 06/30/2005

** + \$1.00 per hour for each drilling license and welding course

When drilling work requires personal protective equipment equal to OSHA level "A" there is a \$3.00 per hour premium; level "B" \$2.00 per hour; level "C" \$1.00 per hour.

The well driller and/or his helpers may perform all of the labor relative to the construction, finishing, and servicing of wells, pumps and borings for ground water supply. The present methods of well drilling entailing, as they do, many diverse job operations calling for drilling, pump discharge, pipings, and the operation of the various different types of related power equipment, shall all be properly within the job duties and functions of the well driller and/or his helpers. In the event that an extension of work should occur beyond water well drilling functions and into the field of general construction work, such extension of work would come under the appropriate rates listed elsewhere in this wage determination.

OVERTIME:

Hours in excess of 8 per day and/or 40 per week shall be paid time and one-half the regular rate. All hours Sundays shall be paid at double the hourly rate. All hours on holidays shall be paid two and one-half times the hourly rate.
